

## Hexistor International Inc. Achieves Blue Partner Status with Datto

Hexistor International today announced it has achieved exclusive Blue partner status with [Datto](#), the world's leading provider of IT solutions delivered through managed service providers (MSPs). Datto Blue status represents the top 5 percent of the company's partners, worldwide.

Hexistor International Inc. has exceeded high standards of performance to qualify for Blue status within [Datto's Global Partner Program](#), the highest classification provided by Datto. Blue status includes many exclusive programs and benefits designed to support further enablement and business growth.

Hexistor teamed with Datto Inc. in 2011. Datto's fast recovery image backup technology was an excellent fit for our customers' demands for fast recovery, PCI compliance and GDPR Compliance. We are proud of the successful partnership with Datto Inc. and as a global partner, we use their image backup products to service thousands of clients worldwide. We take pride in providing enterprise grade data security tailored made to meet the specific needs of our customers.

"Datto provides us with the training, education and resources necessary to accelerate our business growth. It's an honor to be acknowledged for putting these products and tools to use and demonstrating success."

"We are thrilled to recognize Hexistor International Inc. as a Blue Partner," said Rob Rae, vice president of business development, Datto. "We are committed to providing Hexistor International Inc. and all of our partners with the necessary capabilities to develop deep relationships with their customers and keep growing their brands and businesses. We look forward to more success from
